French called the two children Reba. aged 12, and Doris, aged 10 to their playroom on the top floor of the residence. He said he wanted to show them "something funny. He also called to his hitle son, Henry Nelson, but the latter day with all of his officers and all but one was at play in the yard and did not answer.

heard the shots. She was the first one named Ford, who vanished in the turmoil to reach the playroom. She found both following the breaking of the after deck children dead. Reba's body lay upon the athwartships just after the freighter after floor. There was a built wound back making three days sternway before the of the right ear. The mother found the blast backed on the coral reefs of Corbody of Doris stretched across the back rientes Bay at the southwest end of Cuba

confined to his bed for ten days.

French had been district superintendent of the central division of the Public Service Corporation since the organization of the corporation in 1902. Prior to that time he was supervisor of the United Electric Company, which was merged into the Public Service Corporation. He was prominent in Masonic circles in northern New Iersey and was an active member of the First Preshyterials of the Public Service Corporation. He was prominent in Masonic circles in northern New Iersey and was an active member of the First Preshyterials of the Public Service Corporations. Ship swing around stern to sea with each mountainous wave. The vession of the brief intervals when they were not holding on with both hands.

The yarn of the log is vivid in spots For instance, at 4 o'clock on the morning of October 16 the ship "is enveloped in driving spray from hurricane sea. Giant swell raging. Toward evening gale worse. Could not hear nor speak."

Five and a half hours later the "ship struck stern first on coral reef. Heavy thuds, followed by tearing and grinding sounds. Ship swing around stern to sea with each mountainous wave. The vession of the body and the public service Corporation in 1902. Officials of the Public Service Corpora-

tion said to-day that they know of no reason, except insanity, that could have led French to kill himself and children.
